DEDICATION

MISS S. E. HOWDEN

To whom the students respectfully dedicate
this edition of the Ad Astra Annual. For her
many years of faithful service at the Sarnia
Collegiate Institute and Technical School.

FOREWORD

I would like to take this opportunity to say how proud I am to serve as principal of this school—not only because of the school's own wealth of tradition, but because my own life has been so intimately bound up with its staff and students since I left college to come to S.C.I. & T.S. in 1934.

Mr. Johnston, who has served with distinction as principal of this school, will in many ways look with regret at leaving this post. In his position as superintendent, we hope that he will take advantage of his opportunities to return frequently to renew his many friendships here.

This year another Sarnia secondary school has been organized. Because Northern C.I. & V.S. did not have the opportunity of occupying their new building until late in the year, they have had to share our accommodation as the afternoon "platoon." For this reason we have had more than the usual opportunity to observe their school in operation, and, as we offer to them our best wishes, we can also commend them for the fine beginning they have made.

The use of this school building by Northern has made it necessary to curtail many of our own extra-curricular activities or to suspend them altogether. Those which are continuing are doing so only at considerable inconvenience to students and staff alike. In particular I would like to congratulate this year's Magazine Staff in being able to continue to produce such a fine publication under such trying conditions.

A. D. G. Billingsley.

Editorial

Soon the doors of Scits will close on the school year of '56 and '57. Once again your AD ASTRA has been published and has helped to make this year complete. Each edition adds another link to the chain of a great tradition and is the historical record of our collegiate. Because AD ASTRA reveals the character of our students, it thus, through the years, builds up the school's reputation, which we must always strive to keep at high standards.

Naturally, readers, there will be things you won't like about this year's publication. Don't just swallow your gripes but store them away until next year, then join in on the meetings, bring your opinions out of storage and express them. In this way we shall have more of a students' magazine and this is what it should be.

The style of print has been changed in this issue to reduce the production costs in proportion to the decreased number of students.

In this modern day so many things are labelled "the best". This publication is far from being so because "the best" means that there can be no better and when we stop trying to improve on something it begins to backslide in quality. This is why the AD ASTRA staff each year must keep striving to make their production a bit better.

The task of editing a magazine is the work of not one but a large number of people, each having individual responsibilities. Mr. Galpin, the staff sponsor, gave us very much needed and appreciated help, while Miss Howden aided by ironing out the wrinkles in the Literary department. Mr. Haines, our printer, has patiently discussed each little detail with us, and Mr. Irvine has kept our finances in order. For the wonderful co-operation of the AD ASTRA staff itself and all who helped in any way with this publication-I gratefully thank you.

Marilyn Dawson

Our sincere thanks and appreciation go to all the girls in the Commercial Department who helped make this magazine possible.

We also thank the janitorial staff for doing such a commendable job each year in keeping our school in tip-top shape.

*Good Luck

GENERAL DEPARTMENT

FORM 13A

» Mr. Hammond

Mary Zealand

"Best things come in small packages!" This wee parcel is wrapped with a sparkling personality that is displayed at every turn. Mary has won the distinction of being the only girl in 13-A who can undo "pop" beads by sneezing. Next year will see her in a spanking clean nursing uniform. Mary, 13-A wishes you every success in your chosen profession.

Valerie "Val" Leroy

Val, a tiny brown-eyed brunette hails from Parry Sound. Member of Student Parliament, Member player of basketball, volleyball and badminton and has three cups for track and field. Val's song is "MY Buddy". I wonder why? Next year finds Val in Toronto undertaking to become a teacher.

Elizabeth Wood

She is a Brownie leader, Sea Ranger, and the proud owner of a Gold Cord in Guides. She is a member of the Y Leaders Corps and has her Bronze Medallion in swimming. She has an extensive record collection, plays the piano and teaches S. S. Last summer she was with the quartet that visited Que. Liz. hopes to study history at the U. of Toronto.

Dick Kirk

Member of the rifle and signalling teams. Dick's crack-shot has helped his team win many a Strathcona Trophy for us. A Lucas Trophy winner, he has curled with the schoolboys. Dick's friendly smile can be found around the Y's rifle target or at Scout meetings. Plans to enter geology at Western next year.

Nadine Struthers

This has been a sparkling year for Nadine as she is the only 13'er sporting a diamond ring. Besides General, she also excels in Commercial and spends most of her time running from first to third. She has the reputation of being the last to arrive for Geom. every a. m. The best of luck to her.

Shirley Hammond

Scits gained a very attractive athletic student when Shirley came to us from Fergus. During her short stay with us she has shown her ability in scholastics and sports. Although "Shirl" sometimes seems to be all a "Flutter" she has made many close friends. 13-A wishes her the very best as she furthers her education at U.W.O.

Marcia Lampman

Here's a friendly vivacious girl who's always in 31h learning her favourite subject, Physics. Besides this avid interest, Marcia takes an active part in Drama, is a Sunday School teacher and assistant cub master. After graduating, she plans to teach. Then attend the University of Toronto and enter Social Service work.

Donald Hargin

Don plans to attend McMaster. This year Don has turned reporter school sports announcer on "High School March Past", sports writer for Campus Chatter; sports editor for Ad Astra. He plays basketball with "Y" Junior All Stars. All of your many friends here at Scits wish you the best in your studies next year.

Keith Gark

Our busy advertising manager of the A.A. is famous for having a "Do it yourself" roadster and a reputation of four days out of five days late--and ne'ery a word from "Pop". Hobbies are cars, guns, and you know what. Keith plans to study electronics at Ryerson. We wish you the very best.

Ron Duchene

Ron has won top award public speaking contests last year. He loves baseball and hockey while much of his spare time is spent in his beloved community of Corunna. He wants to study geology or mining engineering at U.W.O. or B.C. We wish him the best of success.

Sandra Irvine

Her school life has been divided between Alma College and Scits. Has been a member of winning volley ball, basketball, badminton, and swimming teams. Visited Quebec last summer to study French at Laval. She learned a lot but was it the French language? Lots of luck at U.W.O. next year Sandy.

Pat "Irish" Beatty

Pat, hails from St. Pat's where he played football for the "Fighting Irish". He also was the very capable business manager of the "The Shamrock". Most of his spare time is spent managing Loblaw Groceries and giving pool lessons at the Assembly. He plans to major in Electrical Engineering at U.W.O. where we wish him utmost success.

Gerald "Izz" Izzard

Izz is one of the tall, dark and ? of 13-A. Besides playing pool and trying to capture a certain young lady's heart, he plays soccer. Gerald's clowning has won him many friends. He plans to study electronics at London. When you retire after your first million, don't forget your friends, eh, Gerald???

Jack Banks

Jack graduated with honours from the Tech. Dept. and now is undertaking grade 13. Past member of Students Council, a very apt tennis player and a very hard working student. He works on week ends at the Gen. Hospital and hopes in the near future to become an architect. Lots of luck to you, Jack.

Ron Evans

Ron is one of the more serious students in 13-A and because of this is in the favour of all his teachers. Ron's hobbies are boating in summer and sleeping in winter. His favourite pastime is spending hours drawing diagrams for Mr. Pate. Ron plans to study architecture.

William Barbaza

Sometimes called "The Deacon" or Barbaz, he is a popular member of 13-A. He is active in Students Council, football, and track teams. A confirmed bachelor, but not a woman hater, he is noted for his notorious week-ends. He'll make a good lawyer and we all wish him the greatest success.

Marilyn Dawson

Marilyn is 13-A's tall attractive red-head who hails from Corunna. No matter what the weather, Marilyn always has a cheery good morning and a bright smile for everyone. Her week days are spent looking forward to So-Ed. She's Ad Astra editor this year. She enters T.C. next fall so best of luck from 13-A.

"Sir" Edward Brogden

Ed, a small frustrated fellow in '52 is still a big frustrated fellow in '57. Receiving honour certificates through high school he's noted for not having his homework done. An out-of-doors man he's a great signaler; at least of signaling himself out of any fix. He's Vice-Pres of the Amateur Radio Corp. You must agree that he's an attribute to S.C.I.T.S.

Allan Dubreuil

Al, a conscientious student and avid mathematician is often seen doing Mr. Hammond's algebra. His easy going manner makes him well liked by all. Watching hockey games and movies is Al's favourite pastime. He plans to attend college next fall and with him goes the best of luck from 13-A.

Bill "Army" Armstrong

Bill's humour and warm smile bring sunshine into everyone's life. He's been Junior Director of Key Club, vice-pres Teen Town and now on council. He likes Track and Football in spring and fall but in winter "practices" with Junior Legionnaires. Cadets and Susie claim to him also. Next fall he goes to U. of M.

Maurice Sanders
Known to all as MO, is active in many Y activities especially basketball with the Y Juniors. He is in Key Club and every Saturday Night is at Teen Town. The best of everything to a Grand Guy from I3-A.

Les Robertson
A GOOD example of an all round guy; Pres. of Teen Town, he plans to study Y work at U. of T. He participates in most sports and always has on hand a jelly personality.

Dave Skelton
(Skelly) plays in the city band, is on advertising staff of A.A., and is noted for ability to do chemistry problems. He plans to attend Teachers College and eventually teach manual training. Right now his interest lies on Conrad street.

Bob 'Sod' Marsh
This is I3-A's famous

Bob 'Sod' Marsh
This is I3-A's famous 'blow jockey who's dry wit livens all in Biol. Lab. Is a member of Marshmellow quartet and is on A.A. staff. O.A.C. is gaining a GREAT GUY who is a well come sight to any group.

Mike Prior
Has a ready smile for everyone except those disagreeing with him in English Literature. Has played WOSSA soccer and many other sports. Mike has desperately tried to add euchre to the course of study, sorry to say, failed to do so. Huron College this fall will find our Mike studying for the ministry.

Marie Atkinson

"Cheer-leader" captain, Marie's full of school spirit especially if a certain quarter-back is around. She's contributed much to Scits in athletics, on O.A.A. also in Scits Revues. Marie's future holds Teachers' College in mind. School life has meant a lot to Marie and I'm sure she'll cherish its memories.

Jim Acres

Jim is one of I3-A's quiet studious members. Is treasure of Key Club and enjoys coin and stamp collecting. Spare time working at Observer. Is an honour student and plans to follow up his favourite subject, Math, with an Engineering Course at U.W.O. The best of luck, Jim!

Eric Anderson

Eric a past member of Hi-Y and now in Leaders' Corps; treasurer of the Badminton Club, and a billiard player of renown. Spends his summers farming and hopes to study at O.A.C. His scholastic ability is above average also his attendance except when his "counsel" breaks down.

Pat McInnis
Big brown eyes and a glowing smile are only two of Pat's many assets making her a I3-A favourite. Cheerleading co-capt., member of Central Church Choir and writing letters to Ken keep her really busy. The teaching profession is gaining a very charming young lady and we wish the very best.

Fay Slatterie

This pretty little girl is a "whiz" at sports, especially swimming. She spends her spare time at the public library as a librarian assistant in the childrens' Dept. After graduating, Fay intends to study to be an X-ray technician in London. She loves music and pizza pie. All I3-A wished her well.

Jim "Oscar" Austin

His friendly smile and likeable personality have made Jim an ideal student. A past member of the school basketball team, he now spends his leisure playing for the "Y". Jim enjoys taking active parts in the cadet corps, and Key Club. Jim works hard the summer and carries this trait during the school year. Jim plans to make geology his lifetime work.

FORM 12A

» Mr. Little

Gladys Yardy

Gladys is always cheerful, energetic and full of pep. She is active in sports. Her hobbies are horses and bowling. At 1:pm you can always find her talking or driving F. G.'s car. Her ambition is to become a nurse.

Marybelle Wellington

No matter what the problem, she is always willing to help. She's fond of sports especially basketball. On top of this she has three honour certificates to her name, she is a pianist of the eighth grade, and after Grade XIII she plans to train as a nurse in Sarnia.

John "Spaghetti" Viglasky

John came to us from Kirkland Lake. He enjoys swimming and spends most of his time at the arena. He owns a car, which he calls a green banana boat. His hobby is electronics but he hopes to follow chemical engineering as his professions.

Bill Thompson

Bill's ever ready laugh and sparkling eyes, make him a popular student. An import from Watford District High, he may often be seen in his splashy oldsmobile. In Watford he was a great athlete, especially in Basketball. He hopes to finish Grade XIII, then Business College.

Kathleen Wehring

Kathleen's willingness to help others has won her many friends. She is very active in St. Paul's United Church Choir and is interested in bowling and spending her weekends in Windsor. Next year she will be found in Special Commercial.

May Turley

She is a source of joy to the teachers being one of the very few students who never fails to have her homework done. May is president of the I.S.C.F. and takes an active part in the church choir and Young People's. she plans to go into nursing at the Sarnia General next year.

Judy Wineberg

One can quickly recognize her by looking for the tallest girl in the school (5'11 1/4"). She takes a keen interest in basketball. She hopes to enter the University of Michigan this fall for a course in Social work.

George Reeves

He could qualify for the title of "The Quiet Man." George has the admirable quality of making friends wherever he goes. He has a wonderful sense of humour and can always see the brighter side.

Arthur White

He is our leading questioner in current events. Two years ago he was a sergeant major. Art is interested in hockey and is seen at many games. He plans to complete grade XIII and enroll in a university.

Jim Payne

He has distinguished himself in the school orchestra, the Glee Club, the chess club and verse-speaking contest in which he placed 1st among the entries in Sarnia. His ambition is to become a lawyer. Jim's humour and studiousness are well balanced and will be a great value in the future.

Majorie Paisley

Marjorie is not shy in expressing her opinion on SCITS, Central or her girl friends. Marj preferred to "Wolff" to other boys, but lately has hasn't been seen cruising in a '56 Mercury. Marj retains her jovial humour in classes. Her intention is to be a nurse, but a gossip columnist should be her line.

Doug "Curly" Johnstone

He hopes to complete grade XIII here then to join the navy to take up officer training at Esquimalt, British Columbia. One of Doug's interests is ships. In the winter he fills in his time playing minor league hockey.

Neville Milsom

Neville is an active SCITS student. He is an interested and active member of the Key Club, a whiz in math and physics, he has decided to major in them in his future education. We wish him lots of luck and know he will do well.

Peter Lambert

Active in the classes' work and Extra-Curricular activities. He was a member of this year's football team, and he plays hockey and baseball. Pete plans to attend Toronto University after taking grade XIII.

Helen Moll

She came to our school in 1955 from Holland and is a contortionist. She has been a cheerleader for the past two years. She attends Young Peoples, teaches contortion and hopes to be a professional contortionist. You can usually find her riding around in a '57 Ford.

Tom "Aloitious" Hosie

Tom came to us from Galt in 1955 and he makes life much more pleasant in 12A. In school Tom does his best to prove a certain Scotsman wrong in British Politics. Tom's interests are foreign ships and soccer. He plans to enter the R. C. N. with hope of becoming a naval architect.

Garth McNight

Jim Haslip

This year Scits is happy to welcome Jim back after a five year absence. Among his many "Y" activities, Jim was a past vice-president of Hi-Y. After graduation Jim plans to enter Brigham Young University.

Frank "Birdman" McNeill

Here is a serious Scotsman from Glasgow who makes big contributions to our class. Frank's interests are mainly aviation and hunting. He plans to join the Royal Canadian Air Force upon graduation.

Don Gillespie

Don's interest is mainly in cars. Don hopes to complete grade XIII. I am sure that I am joined by my fellow classmates in wishing Don the best of everything in times to come.

Bob Machan

Bob takes a keen interest in bowling and square dancing. He is active in his church, taking part in the choir and attending Young People's. He spends most of his time with Bill G. Bob is a good student always available with a helping hand.

Karen Fraser

A bonny Scottish lass, plays an important part in our school life. In the Scits orchestra this year, she can be seen playing one of our violins. Karen, a three-year honour student, heads the class in English. Her ambition is to attend Western University.

Jean Elloitt

Jeannie descended on Scits once more having completed Grade XI at Central. This gal could talk her way out of any situation, and although known for talking in History, she has been an A-1 student throughout High School. She is planning a course in Secretarial Science, but Jeannie's destination will be telling little "Riddles."

Sharon Arnold

A pert little brunette who is as proficient at jingling tunes on the piano as jingling coins for Woolworths. Sharon is a member of Hi-Y, and the little free time she has is devoted to the "B-sports"--bowling, basketball, badminton and boys. Sharon's pleasant and winning smile should certainly aid her in a musical career.

Sharon Campbell

In more than a few ways she is one of 12-A's outstanding students. She is extremely talented in the music field. She loves church work as she takes an active part in choir and Young People's. At present her plans are to go to Queen's or U. W. O.

Jane Anning

Jane can usually be found in a Ford or in the company of its owner. She is in Co-ed Hi-Y. She may be leaving us for Ryerson. Jane should be tops as a secretary and her warm personality should be an asset to any office.

Katheryn Atmore

Kathy completed her grade XI at Central and came back to Scits this year. She is literary editor of the Ad Astra. Next year she plans to attempt her grade XIII either here or at Alma College. Kathy's two ambitions are to obtain her operator's licence and to become a nurse.

FORM 12B

» Miss Howden

Janice Young

Being a popular blonde miss, Janice is interested in music, and often spends an afternoon playing the organ in Mandaumin Church, where she sings in the choir. Formerly, she was an active secretary for the Young Peoples. Teaching is her chosen career.

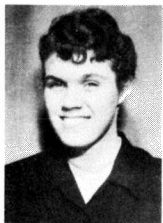

Susan Taylor

Susie is a small, bright brown eyed girl who is usually saying to a certain 13-A boy, "if you loved me you would--". She has participated in swimming, basketball, leaders group, "y" work, and has spent many spares in the medical room. The nursing profession will gain another nurse when "Susie" is a R. N.

Cathy Vick

In past years Cathy has served on the Students' Council. This year she is president of the Girl's Athletic Association and also represents SCITS on the school radio programme. Her favourite pastime is tinkering under the hood of Crobie's "bomb".

Isabel Stewart

"Izzy" is known for her pleasant smile even in French classes. She has participated in basketball and volleyball games. She plans to be a teacher and maybe move to Windsor for a certain fellow.

Bill Sim

His interests lie in boys' work. He attended Boys Parliament at Christmas. At Central last year, he is now an active member at Scits. His hobby is hunting, but someday wishes to be a biologist.

Joe Houston

Joe is a very good student but French really gets him down. Last Christmas holidays he journeyed to his namesake city in Texas. His hobby is playing the accodian. He is planning to take an engineering course at Purdue University.

Kathy Randall

Although she is collecting her silver ware, Kathy's ambition is to become a nurse. Her pastime is Ross and his Blue Pontiac. Kathy's favorite saying is "Don't call me Dummer". She is interested in basketball and "Y" work. Her good nature and easy going way makes her a friend to all she meets.

Lois Garrison

Lois can often be seen coming to school 10 seconds before the last bell, turning cartwheels, or trying to get the football fans to cheer. She is famous for winning elimination dances and getting fouls in basketball games. She has chosen teaching as her career.

Beverly Parker

Bev. has faithfully served our magazine staff for the past two years. Her nickname is "Pokey" and her favourite saying is "Wait up!". Her hobbies range from sewing to tobogganing. With her laughing brown eyes and shy innocent ways, she will go far in the teaching profession.

John Fisher

John is an ardent cyclist and cateraman. Ships seem to be the eye of his camera. Maybe its a career in the Navy, who knows. If you ever happen to pass a cyclist on the road in some uninhabited part of the country, take another look, it will likely be John.

Barb McDonald

"Barb", is an all round student, as her interests vary from swimming to physics problems. She is an active member of Student's Council, Ad Astra Staff, Delta Hi-Y, Teen Town Council, and Leader's Corps. You can often see "Barb" in front of the trophy case at the break talking to Lynn, and hear her say, "Who Me???" Her terrific personality will carry her far in her chosen career.

Margaret Froud

She has participated in basketball, volleyball, badminton, and swimming. In the summer, she is a camp counsellor and an active tennis player. Her leisure time is spent working at the Public Library and practising her music. After Grade thirteen, she plans a career of nursing.

Mary Knowles

This dainty dark haired girl is the one livewire who can spark up the dreariest of classes. In history class, Mary spends most of her time talking to the girl in front of her. Her ambition is to be a teacher.

Ed Fluter

Ed was treasurer of the Boy's Athletic and of the Key Club. Ed has played Junior and Senior M. O. S. S. A. Basketball and Senior Football. Ed was selected to attend the National Cadet Camp at Banff, Alberta. "Major Fluter won a "Best Cadet Award" while at Camp Borden. He plans to attend the Royal Military College.

Gloria Jamieson

Gloria can usually be found at the "Y" where she takes an active part in "Hi-Y" and "Teen Town". All of Sarnia will miss this sparkling gal, for soon she will be moving to Montreal. It is very early to picture Gloria in the career as a teacher.

Carl "Limp" Flech

Someday, Limp aspires to become a wealthy plantation owner in southern Florida. Very active in all school activities, Limp has excelled in the sports dept., playing WOSSA Basketball and Football. Limp's sarcastic humor and many pranks will be remembered at SCITS for a long time.

Frances Crosbie

Fran has been active in Basketball, volleyball, badminton and dancing. Last year she was chosen to go to Toronto to be on a tumbling team. She was layout editor last year of the A. A. A. and is assistant editor this year. Fran plans to teach and will go on a long way with her personality.

Marilyn Bailey.

"Marny" attended SCITS for the past four years, and has taken an active part in badminton, basketball, and volleyball. In the summer, she enjoys camping and swimming. Her sole ambition is to be 5'6". If she achieves this ambition, she will then be able to walk down the street at ease with M. F.

Lynne De la Cour

Quick-witted Lynne hails from a Collegiate in Toronto, where she was active in basketball, volleyball, Student's Council, and the art and dance committee. Next year she plans to attend Michigan State University to study Psychology.

Brenda Atkins,

This witty girl is a definite asset to 12 B's history periods. She is the president of Burns and Mooreline Y. P. A., and a member of Burns' Choir. Brenda has successfully completed nine 4-H club units and is aiming for the twelve units which will give her a provincial certificate. Brenda would like to become a nurse.

Oriole Ehman

Oriole has a wonderful personality and a good sense of humor that captivates everyone. While at Central, she was chief of the "Lost and Found," in the girls' leader corps and on the Students Council and magazine staff. She is planning to complete Grade 13 and from there, teacher's college.

James (Dave) De Shane

Dave was on the senior basketball team and is also an active Member of the Key Club. Dave hopes to attend the Niagara School of Gardening upon graduation but he will probably spend his days mowing lawns. (at SCITS)

Pat Salts

Pat was rewarded for her labour by winning Honour Certificates. In 1953-54, Pat helped the backdrops for the Scits Review. Her favorite pastime is to leave her "extra" socks, and other "articles" in a neighbouring open locker, and then, with an uncanny instinct knows exactly where to find them.

Douglas Crosbie

Doug takes an active part in Hi-Y and Teen Town; he also is a disc-jockey for a show called "Teen-Town Express" over WHLS. In recent years, Doug has been director of SCITS Review, a member of Teen Town Council, cadets, track, and interform sports. He plans to attend pharmacy.

Joan Beaton

Joan hopes to take up nursing as a career. She has taken active part in Girl's sports, is a member of Glee Club, Student's Council and Drama League. Art and Ron are her pastimes. Joan's asset is her ability to attract most people and her easy way of getting along with others.

Betty Lou Hoskins

A quick wit and good sense of humour makes "Bet" a welcome addition to any group. She is an active member in Teen Town, Student's Council, Ad Astra Staff "Y" Rifle Club, and is past vice-pres of Central's G.A.A. "Bet's" pastime is spent playing on our Sr. and St. Paul's girls basketball, tennis. She can be heard saying, "Sorry--but I am going to O.A.C. this weekend."

WE ARE, WE ARE THE GIRLS

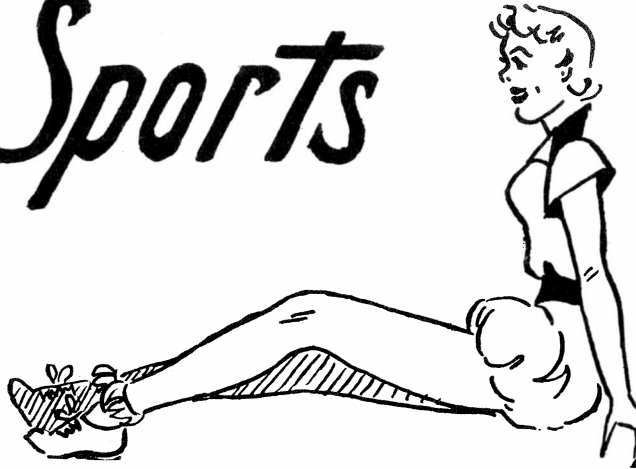

GIRLS ATHLETIC

Front Row, Left to Right-- C. Vick, M. Turley, M. McGuire, M. Callum, N. Cranston.

Second Row-- Miss Hagart, K. George, V. Worsley, C. McLean, M. Lee, E. Olson, Miss McGuire.

Third Row-- M. Akinson, D. Kidd, J. Vlasisovich, M. Taylor, C. Galatly.

Girls Sports

ATHLETIC ASSOCIATION

This year an experiment was carried out by our two new gym instructors-Miss McGuire and Miss Haggert. Instead of having an election for the members of G.A.A., a girl was chosen from each form to be that form's representative on the G.A.A.. At the first meeting the following executive was appointed.

President-Cathy Vick
Vice-Pres-Muriel Callum
Secretary-Marianne McGuire
Treasurer-Dianne Kidd

One of the first duties of the association was the rewriting of the G.A.A. constitution which had not been revised since 1924. They then devised a new point system for totaling up girls' sports awards.

Every girl can become a member a member of the Girls' Athletic Association if they pay their "25¢" membership fee.

BASKETBALL TEAMS

Every Wednesday from 2 till 4, girls who are interested in basketball meet at the Y.M.-Y.W.C.A. to practice. From these girls teams will be made up to represent our school in each division.

ALL-ROUND CHAMPIONS

FIRST AND SECOND "S" WINNERS

ALL ROUND CHAMPIONSHIP

The girl who obtains the greatest number of points in each of the divisions is the All-Round Champion for her group. Last year a very amazing thing happened. The Junior, Intermediate, and Senior B champions were all tied.

The winners were:

Senior A (grade 12, 13, Sp. Com.)
Carol Ann MacKinnon 12C

Senior B (grade 11)
Betty Cook 11A } tie
Pat Summers 11B }

Intermediate (grade 10)
Muriel Callum 10-12 } tie
Pat Clawson 10-12 }

Junior (grade 9)
Ann Huggins 9-19 } tie
Cathy Trotter 9-19 }

FIRST AND SECOND "S" WINNERS

The First "S" is awarded to the girls who have obtained four proficiency crests and to the Senior All-Round Champion.

The Second "S" is given to the girls who have obtained three crests and to the Intermediate All-Round Champion. The winners last year were:

First "S":

Gertrude Dunham, Judy Palmer, Mary Trotter.

Second "S":

Cathy Vick, Margaret Young, Pat Summers, Barb McDonald, Gail Summers, Lois Garrison, Sally Date.

Last year Scits sent a grade 11 to the Ontario Athletic Leaders Training Camp at Lake Couchiching. This girl was chosen by the Girls A.A. Executive from applications because she has shown athletic ability. Last year Pat Summers attended the camp for a couple of weeks.

PROFICIENCY CREST WINNERS — SENIOR

PROFICIENCY CREST WINNERS — JUNIOR INTERMEDIATE

PROFICIENCY WINNERS

Girls who take active part in sports will likely receive a proficiency crest. If they swim, dance and play in each tournament as it comes up they will receive points. All girls who have 75% of the average number of points made by the 10 girls who received the highest number of points will receive one of the coveted crests.

Last year they were awarded to:

Senior: 11, 12, 13.

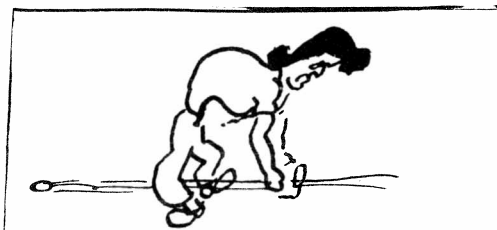

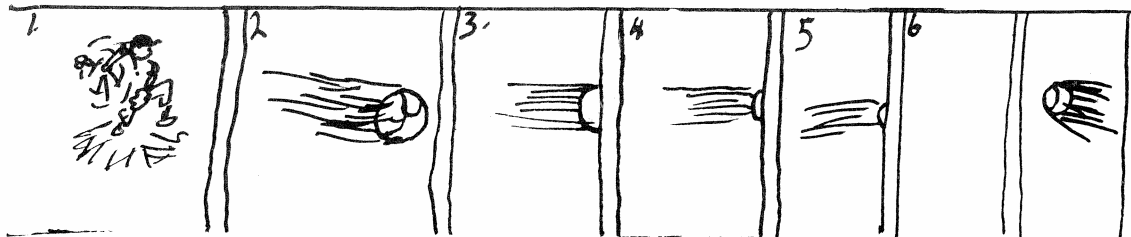

Judy Palmer, Betty Cook, Gertrude Dunham, Carol Roundell, Barb McDonald, Margaret Young, Francis Verdun, Sharon Campbell, Carol Ann MacKinnon, June Miller, Mary Trotter, Gail Summers, Judy MacRae, Sally Date, Lois Garrison, Sandra Irvine, Cathy Vick, Pat Summers, Fran Crosbie, Betty Goldring, Marla Gilbert, Gloria Jamieson, Freda Tucky, Pat Russell, Joan White, Joyce Roberts.

Intermediate: 10.

Muriel Callum, Gloria Graham, Florence McKay, Carol McLean, Ann Bartol, Pat Clawson, Carol Fralick, Joan Heal, Linda Lewis, Carolyn MacKinley, Shirley Abell, Karen Hosie, Carolyn Spice.

Junior: 9.

Judy Stevens, Nancy Cameron, Karen Lampman, Diane McLeod, Judy Clawson, Eleanor Conant, Karen George, Ann Huggins, Marlene McCall, Kathy Nisbet, Helen Ostrihon, Elwa Sunaitis, Kathy Trotter.

LIFE SAVING

RED CROSS SWIMMERS

SWIMMING

Life Savings:

Much attention was paid to Life Saving last year. Instruction was given by Ann Borrowman who was trying for her Instructor's Certificate. In June they were tested by Mr. Mendizabal.

Bronze Medallions:

Barb McDonald, Carol Ann MacKinnon, Joan Borrowman, Cathy Trotter, Pat Summers, Ann Huggins, Diane Wade.

Award of Merit:

Judy MacRae, Betty Cook, Liz Wood, Mary Trotter, Barb McDonald, Muriel Callum.

RED CROSS SWIMMING & WATER SAFETY

Several girls enjoyed the use of the pool after school several nights a week. Many tests were passed under Miss Ramsden's excellent instruction and those girls who were trying their Leaders' Red Cross Award.

Leaders' Red Cross:

The girls who passed their Leaders' Award each taught a group of students on their Red Cross Swimming as part of their test. Then when school was out they accompanied Miss Ramsden to Western University where they passed their tests with flying colours.

Muriel Callum, Betty Cook, Ann Huggings, Carol Ann MacKinnon, Barb McDonald, Pat Summers.

Senior Red Cross:

Linda Lewis, Pat Summers, Pat Swan, Gail Taylor, Cathy Vick, Liz Wood.

Intermediate:

Sharon Campbell, June Miller, Fran Crosbie, Lois Garrison, Joan Heal, Gail Legate, Kathy Nesbit, Carolyn Spice, Elma Sunaitis, Cathy Trotter.

Junior:

Carol Fralick, Helen Ostrihon, Gail McHattie, Francis Verdun.

Deck Tennis (grade 9)

Deck tennis is a game which the grade niners play with a rubber ring. One team throws the ring across the net and if the other team drops the ring it is a point for the serving side. No records were kept of the tournament.

Goodminton (grade 10)

Goodminton is played by the grade 10's as a prelude to badminton. It is played almost the same as badminton but it is played with a wooden bat and rubber-tipped bird. No records were kept of this tournament.

Badminton (grade 11, 12, 13)

Badminton is played by the 11, 12's and 13's. There were two tournaments and winners in the grade 11 division and winners in the 12, and 13 division. Different teams played at noon hours and after school. Records are not available for these tournaments.

BASKETBALL

Each form could be represented in the basketball tournament if they could floor a team. The winners in all divisions with their captains are:

Juniors (grade 9)

1. 9-19 Ann Huggins
- Senior B (grade 11)

1. 11-A Pat Taylor
2. 11-B Sharon Campbell
3. C-11-A,B Marilyn Le Neve

Senior A (grade 11, 12, 13)

1. Special Commercial--Shirley Neal
Carol Ann MacKinnon

Intermediate (grade 10)

1. 10-12 Ann Baitol
2. 10-7,8
3. 10-13 Janet Rinker

SWIMMING

Points were given in swimming for tests you passed, if you passed Red Cross Tests, and Life Saving Tests. All points were added up to see which forms won the swimming awards. They are the following with their captains.

Junior (grade 9)

1. 9-19 Ann Huggins
2. 9-13 Carol Phinpen

Intermediate (grade 10)

1. 10-12
2. 10-
3. 10-8 Gail McHattie

Senior B (grade 11)

1. 11-C Marla Gilbert
2. 11-A Betty Cook
3. 11-B Bev. Manser

VOLLEYBALL

Each form could enter a team if they wanted to. It was a hard-fought battle and many teams ended up tied and playoffs were played. The following are the winners: (All the records are no available)

Junior (grade 9)

1. 9-
2. 9-
3. 9-

Intermediate (grade 10)

1. C-10-7,8
2. 10-12
3. 10-

Senior B (grade 11)

1. 11-C Lois Garrison
2. 11-B Freda Tucky
3. 11-A Gloria Jamieson

TRACK & FIELD

Girls Field Day was held in the fall with almost all the girls participating. The following are the results:

Junior (grade 9)

1. 9-13 Donna Malone

Intermediate (grade 10)

1. 10-
2. 10-
3. 10-

Senior B (grade 11)

1. C-11-B Gwen Bradley
2. 11-B Pat Summers

Senior A (grade 12, 13)

1. C-12-A Jo Wood
2. C-12-A²
3. C-12-B¹ Norma Brown

Athletics play an important part in school life. They provide not only recreation for the body but also stimulus for the mind. Along with other factors a good clean sport builds a healthy mind in a healthy body.

FOOTBALL

OCTOBER 5

S. C. I. & T. S. 66

PETROLIA 0

In their first game of the season, the Bombers romped to an easy victory over a hapless Petrolia entry which managed to make only three first-downs and never got over the centre stripe. Full-back Dick Perry spurred his team-mates on with his 3 T. D. effort.

OCTOBER 12

S. C. I. & T. S. 13

ST. PATS 0

The Fighting Irish showed lots of bustle along with a good defence but despite their good showing, they finally were defeated by the smoothly working Blue Bombers. Perry and McPhedran were the stars of this contest, each scoring a T. D.

OCTOBER 19

S. C. I. & T. S. 8

CENTRAL 19

The Bombers suffered their first loss of the season at the hands of a greatly improved Central squad. That Central had improved is probably best shown by the fact that they lost to St. Pats only a few days previous to this game with S. T. I. & T. S.

OCTOBER 26

S. C. I. & T. S. 27

ST. PATS 15

This contest was probably the Bombers most thrilling upset of the season. Going into the last frame, the Bombers were trailing St. Pats by several points. Suddenly, the Bombers took fire with George Kuz scoring 2 T. D.'s in the last few minutes of the game. George was undoubtedly the star of the game with his 3 T. D. effort.

NOVEMBER 1

S. C. I. & T. S. 43

WALLACEBURG 13

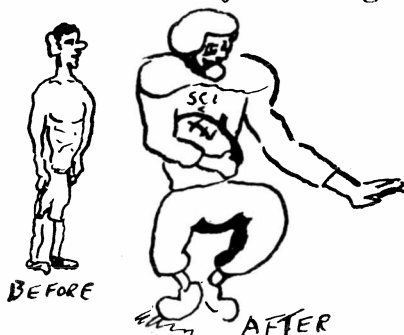

This was the Bombers first and only game with Wallaceburg. For this fixture Pete McPhedran was moved from the quarterback slot to right end. Pete proved himself with several sensational one-handed catches, one of which was good for a T. D.

NOVEMBER 6

S. C. I. & T. S. 8

CENTRAL 14

The score was tied at 8 all going into the last quarter and with time left for only one play. Central scooped up a loose ball and went over for the winning T. D. Central, by virtue of the win over the Bombers, won the right to enter the Wossa playoffs as the representative team from Sarnia. However, they were beaten out by Leamington to the tune of a 20 - 14 score.

A rush, then a scramble, a tackle, a fall. Six wounded, three senseless, four dead--- THAT'S FOOTBALL!

Mr. Prose to Perry as shapely blonde walks past football players bench. "There goes the school's leading pass receiver.

BASKETBALL

DECEMBER 7 S. C. I. & T. S. 66 BEAL TECH. 58
 SENIORS

In an exhibition contest with Beal Tech. in London, Beal Tech. was leading by several points going into the last period. Then the Bombers took fire with McPhedran scoring 12 consecutive points in the last three minutes. McPhedran amassed 40 points to be the top scorer.

DECEMBER 7 S. C. I. & T. S. 17 BEAL TECH. 67
 JUNIORS

Plagued by bad luck and inexperience, the Juniors lost their first exhibition contest to a smoothly working Beal Tech. squad.

DECEMBER 14 S. C. I. & T. S. 23 BECK 62
 SENIORS

In their first exhibition contest played on the home court, the Bombers received quite a trouncing at the hands of Beck Collegiate. Top scorer for the Blues was John Payne with seven points.

DECEMBER 14 S. C. I. & T. S. 26 BECK 78
 JUNIORS

Despite their loss, the Juniors gave a much better account of themselves than in previous games. Tops in scoring for the Juniors was Colborne with eleven points.

 S. C. I. & T. S. 36 LONDON SOUTH 48
 SENIORS

In a third exhibition contest, the Bombers played heads-up ball all the way but finally went down to defeat. Pacing the Seniors was McPhedran with 12 points.

 S. C. I. & T. S. 23 LONDON SOUTH 56
 JUNIORS

Once again the Juniors were unsuccessful, but they showed considerable improvement in their team-work. Colborne was high point man with eleven.

 S. C. I. & T. S. 63 WALLACEBURG 33
 SENIORS

The Seniors emerged the victors from their first game in the district Wossa Basketball League with top scoring honours going to Pete McPhedran who tallied 13 points.

BASKETBALL (continued)

S. C. I. & T. S. 23
JUNIORS

WALLACEBURG 27

The juniors showed a greatly improved style of play even if they did lose. They outscored Wallaceburg 12 to 11 in the second. Biehn was top scorer with 7 points.

S. C. I. & T. S. 41
SENIORS

PETROLIA 67

Petrolia, having retained several players from last year's squad, proved to be too much for S. C. I. & T. S. in this contest. Ed Fluter was top scorer for the Seniors

S. C. I. & T. S. 34
JUNIORS

PETROLIA 17

The Juniors took an easy win from the hapless Petrolia. The Blues outscored the opposition by 18 points in the first half of the game. Colborne paced the victors with 8 points.

S. C. I. & T. S. 38
JUNIORS

CENTRAL 72

The Juniors were again downed but the loss of two key men, sidelined by injuries, probably was the cause of their defeat. Leading the Juniors was Colborne with 11 point.

THE JUNIOR BASKETBALL TEAMBack Row, left to right-

D. Chester, G. Porter, B. Smyth, Mr. Newell,
D. Mott, R. Chad, H. Bernard.

Front Row,

G. Mackenzie, H. Austin, J. Colborne, B. Kidd,
D. Partridge, T. Biehn.

Juniors 34

Petrolia 17

That the Juniors were in top form for their first win of the season is best indicated by the half time score; 22-4 in favour of S. C. I. & T. S.

Seniors 41

Petrolia 67

The absence of several high scorers contributed greatly to what proved to be the only loss the seniors suffered all season.

Juniors 37

St. Pat's 23

Colbourne paced the Juniors to their second straight win with a fine 12 point effort.

Seniors 61

St. Pat's 24

Pete McPhedran's 23 point effort sparked his team mates on to a complete rout over the hapless St. Pat's entry.

Juniors 13

Wallaceburg 26

As the score indicates this game featured mostly defense. Bob Ridd led the Blues in scoring with 8 points.

Seniors 62

Wallaceburg 33

Once again the Seniors came up with a lopsided win over their opponents as Pete McPhedran gained 17 points to lead the Bombers in scoring.

Juniors 39

Petrolia 32

A 13 point margin racked up in the first half carried the Juniors through to their victory.

Seniors 58

Petrolia 49

Petrolia suffered their first defeat of the season at the land of a smoothly working Bomber squad.

Juniors 24

Central 54

At the half way mark Central was in front by a mere 4 points indicating a good showing on the part of S. C. I. & T. S.

Juniors 33

St. Pat's 19

The Juniors came up with a convincing win in this last game of the season.

Seniors 45

Petrolia 38

The Bombers came from behind during the second half to take the first game in the Wossa district playdowns.

Best Wishes in 1957

STUDENT ACTIVITIES SPECIAL EVENTS

THE STUDENTS COUNCIL

Front Row: 1 to r- A. Duncan, T. Parsonage, J. Heal, M. Lee, S. Dukich, S. Powers, S. Campbell, J. Vlasisovich, Mr. O'Donohue.

Second Row: D. Kelsey, J. Purves, P. Van Sickle, M. Jones, B. McMahon.

Third Row: R. Stone, G. McKenzie, E. Fletcher, J. Craig, E. Petronski, M. Callum, B. Hoskin, E. Lucas, J. Smith.

Fourth Row: J. Hicks, H. Mason, B. Eyre, B. Barbaza, B. Mathews, D. Bending, B. McPherson.

THE KEY CLUB

Front Row: 1 to r - E. Fluter, Mr. Wood (Kiwanian), J. Ayre, P. Bussel, J. Brough, G. Porter, J. Valley, D. DeShane, B. Russell.

Second Row: D. Climie, M. Berger, Ross Smith, G. McKenzie, B. Kidd, Lyn Withers.
Last Row: H. Bernard, A. Watson, D. Watson, G. Houston, B. Gates, N. Milson.

Mr. Trowbridge (Kiwanian).

Missing: Mr. Topper (advisor), J. Austin, M. Saunders, R. Nurse, B. Gibson, B. Owens, R. Davidson.

Because of this year's staggered system, school activities have been cut to a minimum. However, students need something outside of school-work for relaxation and enjoyment, and so there are still some organizations to keep them occupied.

STUDENTS' COUNCIL

This is one organization which always continues to function--staggered system or no staggered system. Consisting of representatives of the entire student body, it plays a very important part in school life.

This year's Executive is as follows:

President: Tony Parsonage
Vice-President: Alan Duncan
Secretary: Joan Vlasisovich
Treasurer: Sharon Campbell

The Council meets every Monday, and the Executive every Wednesday at 12:45. The constitution which was drawn up last year has been put into effect, stating all the duties of Council members. Along with the sponsoring of most school Com-te-Calls, the Council has sponsored the sale of Christmas Cards, school pictures, and school sweaters, bought records and games for the dances and new uniforms for the cheerleaders, paid for a new record booth, projector, and P.A. system, and donated \$50 to the best All-Round Girl and All-Round Boy chosen by students and teachers. Thus they have been very active, and will continue to be so in years to come.

GLEE CLUB

Under the direction of Mr. H. M. Sperling, this choral group has always been a very important and popular or-

ganization in the school. As it consists of all three of our Sarnia Collegiates this year, it is quite a bit larger than in previous years. Pianists are Joanne Voege, Sharon Campbell and Mary Lou Francis.

Among their other activities, the Glee Club puts on an annual concert in March, which is very worthwhile to attend. Included in the program are vocal and piano solos as well as numbers by the entire chorus. The music ranges all the way from negro spirituals to selections from Haydn and Strauss, so it ought to appeal to music lovers of all types.

A great deal of credit goes to Mr. Sperling, who puts much time and effort on the Glee Club in order that it might be a success.

INTER-SCHOOL CHRISTIAN FELLOWSHIP

President: May Turley
Vice-President: Alma Ginn
Secretary-Treasurer: Karen Hosie
Social Conveners: Rose Turley
Dina Pikkert
Advertising and Assistant Advertising Manager: John Woodrow
Gail Bruyee
Sponsor: Mr. A. Stephenson
Staff Advisor: Mr. Green

This fellowship, which promotes Christian feeling and good fellowship among the students, is welcome to anyone who is interested in Bible Study, group discussions or missionary work. Its purpose is "To know Christ and to make Him known." Although it has been difficult for the I.S.C.F. to meet this year, they have had several interesting Bible studies led by members in the group, a few interesting discussions and a fine missionary challenge by Mr. Raymond Holley, on furlough from Africa, and missionary there.

Their many thanks go to Mr. Billingsley, who did so much to obtain a room in which they could hold their meetings. As a group they are grateful for the privilege of having I.S.C.F. and they hope that in future years their organization will continue to grow and be a help to all those who attend.

ORCHESTRA

Due to the fact that many of last year's members have been transferred to Central, the orchestra has not been as lively as it might have been, but considering the lack of essential instruments, especially violins, it has carried on very well under the efficient leadership of Mr. J. Gilbert, recently from England. In addition to performing at all school assemblies, the orchestra provides entertainment at the annual Commencement Exercises held in December. We hope that next year all those who have the ability to play any instrument will use their talent to uphold the orchestra, which has always had a large part to play in the activities of the Collegiate.

C H O R

Every Thursday afternoon at 4:00 p.m. you may tune in to our local station and listen to the many activities of all three of our Sarnia Collegiates on the program "High School Marchpast." Representing Scits on the social corner this year was Cathy Vick, on the music corner Judy Wineberg, Sharon Campbell and Leo Drennan, and on the athletic corner--- Don Hargin. These students who broadcasted had a great deal of fun doing it, and the listening audience found the program very enjoyable. Therefore, we hope that it will be continued next year if possible.

COM-TE-CALLS

During the year, several dances sponsored by various forms were held. Forms sponsoring the dances were as follows: October 19--13A; November 16--Boys' Athletic; December 14--11B; January 25--12A and 12B; February 8--Key Club; and March 24--11A.

On the whole, there dances were very well organized, although sometimes the attendance left much to be desired. Forms sponsoring the Com-te-Calls ought to be complimented on the success of their dances. Except in the case of the Boys' Athletic and Key Club dances, the proceeds went to the Student Council Funds.

KEY CLUB

This year's Executive is as follows:
President: Ed Fluter
Vice-President: Lyn Withers
Secretary: Jim Valley
Treasurer: Jim Ayres
Junior Director: Phil Russell
Sophomore Director: Ross Smith
Senior Director: Neville Milsom
Head Director: Morris Sanders

Owing to the staggered system, the Key Clubs activities have not been as many as in previous years. However, they have done service to the school in cleaning the trophies of the trophy case and have continued with their coat-checking for the Kiwanis Travelogues.

Five of their members attended the Chatham Vocational Charter Night when the Key Club of that school received its charter. An inter-school hockey game was held between our Key Club and Central's with Scits emerging victorious--score 4 to 3. Also, the Key Clubs of both schools enjoyed a social evening together January 31. Several members will attend The Key Club Convention in the Easter Holidays.

CADET INSPECTION

The annual Cadet Inspection was held on May 15th, 1956, in the parking lot because of bad weather, with 500 cadets on parade. It was opened with the pass in review, followed by the ceremonial inspection by an inspecting party of about twenty men. Commanding Officer was Ron McDougall, and John Carr was Second-in-Command. The Adjutant was Jack Warkentin. Award for the outstanding cadet was presented to Ron McDougall, and the best rifle shot award went to Dick Kirk. Lt.-Col. Gal-loway was the inspecting officer. The Signaling Squad manoeuvres and demonstrations were presented on the back campus.

Oct. 24--Philharmonic Piano Quartet

This all-American group of brilliant, attractive artists delighted Sarnia concert-goers with their four-hand presentations of classical favourites interspersed with some popular music, to cater to all tastes. All four pianists, Ada Kopetz, Moreland Kortkamp, Emmett Vokes, and Herbert Rogers have given successful solo recitals in this country. Outstanding among their selections were Mozart's Overture to "The Marriage of Figaro," Rachmaninoff's "Prelude in G Minor," excerpts from "The Nutcracker," Ballet by Tchaikowsky and Gershwin's "Rhapsody in Blue." The Quartet will long be remembered for their thoughtful interpretations and superb technique throughout the entire concert.

REMEMBRANCE DAY ASSEMBLY

This impressive service was held on November 9th in memory of those who so freely gave their lives for freedom and all it stands for. After the scripture reading by Mr. Little, and the recitation of The Lord's Prayer in unison, the Rev. Mr. C. J. Scott of St. Paul's United Church delivered an inspiring message concerning the importance of youth in the world of to-day. Major Payne then offered a few sentences of remembrance followed by the reading of the Honour Roll by Tony Parsonage and Alan Duncan, president and vice-president, respectively, of the Students Council. The Last Post, played by Ronald Davidson, was followed by a moment of silence. We concluded our Remembrance Day Service by the singing of the National Anthem.

November 21--Malcolm Troup

This distinguished Canadian pianist was presented by the Municipal Chapter of Sarnia Imperial Order Daughters of the Empire, in a concert which included such composers as Bach, Beethoven, Brahms, Gershwin, Chopin and Liszt. Mr. Troup has a musical record of which anyone would be proud, having won many awards and much recognition in his tours all over the world. Therefore, it was esteemed a great honour to have him appear before us in our Collegiate Auditorium that November evening, to play such enjoyable selections as Liszt's "St. Francis Walking on the Waves," Chopin's "Etudes from Op. 10 and Op. 25," and "Three Jazz Preludes," by Gershwin.

Scits Club Executive:

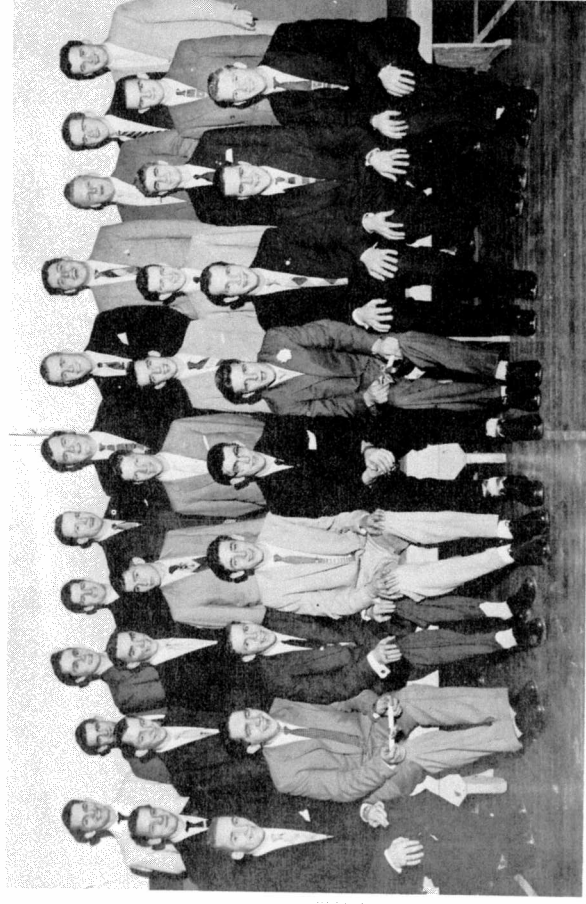

Bob MacPherson
Les Robertson

Betty Lou Hoskin
Muriel Callum

We regret to say that due to our earlier platoon system, we are unable to have our annual Scits Revue, but we certainly will be looking forward to producing one next year.

(1955-56)

GRADUATES

COMMENCEMENT

The Commencement Exercises for graduating classes of both Scits and Central were held December 21st in the Collegiate Auditorium. The program was opened with musical selections by the combined orchestras of both schools under the direction of Mr. Gilbert and Mr. Duncan. The graduates then filed up the centre aisle to the "March Processional," and after the singing of "O Canada," came remarks by Dr. Anderson, Mr. Rogers, and Mr. Billingsley. During the course of the evening, scholarships, bursaries and prizes were awarded to deserving students. After the presentation of graduation diplomas, Mr. J. E. Johnston addressed the students, stressing the importance of doing one's best in whatever one undertakes to do. Entertainment was provided by Lester Laird, the orchestra, and a vocal ensemble from the Glee Club directed by Mr. Sperling. The Validictory Address was given by June Pollard who passed on the lighted torch to Helen Ronnquist, and so the 1956 Commencement Exercises were brought to a close.

AT HOME

Each year the Students Council sponsors the "At Home Dance" for the graduates and senior forms. It is perhaps the most glamorous dance of the year, and provides an opportunity for former students of Scits to renew old acquaintances. This year, the dance was held on December 27th, and was not as well attended as in previous years. However, all present enjoyed the lovely formal very much. The gym was attractively decorated, and Jack Kennedy's Orchestra provided smooth music for the sixty-eight couples. It is possible that in future years, we may hold the "At Home" the same evening as the Commencement Exercises, in order to attract a larger crowd of graduates.

JAN. 16--Gwen Beamish MacMillan

On a bitterly cold January evening, with temperatures below zero, the Sarnia University Women's Club presented the talented daughter-in-law of the great Sir Ernest MacMillan, in a concert attended by some 850 concertgoers. It was the young Sarnian's first Sarnia concert, and such numbers as Chopin's "Scherzo in B Flat Minor, Opus 31," presented a stringent test to the musician, which she passed sailingly. An exquisite sensitivity was conveyed in her interpretations of Haydn's "Fantasia in C Major," Bach's "Come Saviour of the Gentiles," and many others. Her technique and virtuosity were evident in such demanding selections as Bach's "Fantasia in C Minor," and the brilliant "Ritual Fire Dance," by de Falla, which she played as an encore. All in all, Mrs. MacMillan distinguished herself as an accomplished performer, and Sarnians have every right to be proud of such splendid local talent.

JANUARY 28--Theodor Uppman

The Sarnia Community Concert Association presented this Metropolitan Opera Star in one of the finest and most enjoyable concerts Sarnia has ever known. A singer of extraordinary capabilities and achievements, Mr. Uppman has proved to be one of the most exciting Opera and Concert Stars to arrive upon the international music scene in a long time. In his performance in our Collegiate, he made a hit both as a singer and an actor. In spite of a lapse of memory, Uppman powerfully carried his audience with him on wings of song, and left them breathless after each and every number. He swept his listeners through a variety of moods with selections such as Mozart's "Ladies, That's The Way You Flirt," the lovely aria "Evening Star," from "Tannhauser,"

CHEERLEADERS

GLEE CLUB CONCERT

No. 102 SARNIA C. I. & T. S. CADET CORPS

"Ravel's "Chanson a boire" from "Don Quichotte," and many others. Encored three times, Mr. Uppman smilingly complied with the wishes of his audience, and delighted them still further. Sarnians returned to their homes after this great man's final appearance thoroughly satisfied with the evening's entertainment.

FEB. 15--Vienna Academy Chorus

This was one of the most anxiously awaited concerts of the entire series, and was well worth waiting for. Vienna to the world means music, and the Vienna Academy Chorus, composed of a hand-picked group of twenty-four male and female voices under the conductorship of Gunther Theuring, symbolized throughout its superlative performance supreme musicianship. Part One--performed in plain black evening dress: Part Two--performed in the colourful costume of the Tyrolean peasant: Part Three--performed in graceful baroque costumes of Vienna's Golden Age. We hope that this choir of beautifully blended voices will someday return again to Sarnia, so that those who missed their first appearance will have the opportunity of hearing them.

R. C. A. F. Training Band

In the latter part of November, the students of Scits were entertained by this Air Force Band under the direction of Fl.-Lieut. Hunt. With a combination of popular and light classical music, the band caught and held the attention of every student throughout the entire assembly. For their opening number, they selected the U. S. Army March, by composer Thomas Darcy. This led into the popular "Love Me Tender," famous because of its association with a certain young man owning sideburns and a guitar. For a little musical fun, the band then

turned to variations on the theme of "Three Blind Mice." Midway through the program, the **powerful** tenor voice of Thomas Magee filled the auditorium with his rendition of the song from "The Vagabound King." At the request of Mr. Billingsley, the band concluded their excellent performance with the "Air Force March."

PLANT TOUR

During the school year, several senior Commercial forms were shown through the city's industrial plants, in order to get a glimpse of the business life which they will soon be entering. Form C-12-A were shown through Polymer, C-12-B through Dow Chemical, and C-Special through Imperial Oil. These forms enjoyed the conducted tours very much, and were grateful for the time spent by their guides in showing them the various departments of the plants.

PARENT'S NIGHT

On November 9th, parents of students at Scits were given an opportunity to visit the school and become better acquainted with the teachers. The evening is held mostly for the benefit of parents of Grade Nine students, but parents of all students are invited to attend. As well, the teachers are able to point out various problems and difficulties to the parents, and discuss ways and means of improving student-teacher relationships. Parents find this evening very helpful, and it is usually well attended.

May 18--CADET DANCE

The annual Cadet Dance, one of the most anxiously awaited dances of the school year, was well attended, and all those present had a very good time. Dancing to smooth orchestra music was held in the glamorously decorated boys' gym, and refreshments were served in the girls' gym. Patrons and students alike enjoyed this well-planned dance very much.

Scholarships

Each year various industries and organizations in our province and our city provide a number of scholarships for students with high academic standing.

This year the Carter Scholarships of \$60 and \$40 were won by Jack Warkentin and Mary Trotter.

For superior standing in the Grade XI and XII General Course, the D. M. Grant Scholarship of \$50 was awarded to Ruth Billingsley.

Awarded for proficiency in the Grade XII Technical Course were the Sarnia Bridge Co. and the Canadian Institute of Steel Construction Scholarships, of \$25 each. The first was received by Piet Vandermeer and the second by Kenneth Simpson.

The Sarnia Chamber of Commerce Scholarships for proficiency in the Grade XII Commercial Course were won by Golda Olson and Mildred Korbel. The Special Commercial awards were won by Patricia Thrower and Patricia Rawlings.

Neville Rampley received the Canadian Liquid Air Prize for proficiency in Grade XII Welding.

The Engineering Prize, donated by the Sarnia Branch of the Engineering Institute of Canada, was awarded to Glenn Steel.

The R. K. Stratford Prize, for highest standing in Grade XIII Chemistry, and E. B. Lusby Prize, for highest standing in Grade XII Industrial Chemistry were won by Jack Warkentin and Gerald Carter respectively.

Edward Capes received the Miss Jean Martin Trophy for the highest standing in Grade XII Mathematics.

Citizenship awards were received by Judy Palmer and Bill Muir.

Imperial Oil Scholarships of \$700 a year, for 4 years, were awarded to Mary Trotter and Jack Warkentin.

The Polymer Corporation Scholarships of \$1000 a year for 4 years, were awarded to June Pollard and Bill Muir.

The Victoria College Scholarship and the Provincial I.O.D.E. Scholarship were awarded to June Pollard but she was unable to hold them after her acceptance of the Polymer Corporation Scholarship.

The Regular Officer Training Plan was awarded to John Brundritt and Bill Muir, but unfortunately Bill was unable to hold this award.

The Victoria College Scholarship of \$150 plus tuition, was awarded to Christa Pfieff, and the Victoria College Bursary of \$200 was awarded to Patricia Durance.

Mary Needham was awarded the Massachusetts' Wellesley College Scholarship. This award offers \$1850 a year for 4 years.

Three Dominion-Provincial Student Aids of \$100 were awarded to three Grade XII General Students, Carol Sloan, Richard Webber and Marion Vanderlinde.

Many bursaries are awarded by various organizations in our city. To be eligible for application a student must have obtained average standing in their grades and have need for financial aid.

The Olive Logie Memorial Award of \$200 was awarded to Betty Thurston.

A number of I.O.D.E. bursaries were awarded by the various chapters in Sarnia. Their bursaries of \$100 were presented to Betty Dejong, Frances Fowler, John Carr, Richard Cummings, Beverley Learne and Ormand Kemp. Awards of \$150 were made to Ronald Date, and James Brown, and awards of \$200 to Judy Palmer, Ormand Kemp, Ronald Welch and Bruce Alton.

Christa Pfieff received the Dominion Provincial Bursary of \$500.

The Scits Club Bursary of \$100 was awarded to David Johnston. The two Scits Club Bursaries of \$50 were awarded to Katherine Basta of Grade XI General and Donald Robinson of Grade XI Technical.

Our heartiest congratulations are extended to each of these deserving students for it is indeed an honour to receive these awards.

Mr. Dennis: This is the skull of a chimpanzee, a very rare specimen. There are only two in the country; one is in the National Museum and I have the other.

Serious Little Talk

That's when a parent, with stammering tongue,
 And many a blush, engages in explaining to his
 innocent young what the kids have known for ages.

In these days of low cut gowns it takes a lot of
 will power to look a woman in the eye.

A Toast to Our Graduates

Though you are far away,
Your spirits linger yet,
They haunt these wild halls,
Unwilling to forget
The pleasant hours spent
Among old friends so dear,
The laughter, joys, and hopes,
That marked each flying year.

We drink a toast to you,
Old chums of school days past,
Our faith and pride in you,
Will ever be steadfast.
Thro' happiness and sorrow,
Whatever life may bring,
The Spirit of the White and Blue
Within your soul shall sing.

He who thinks our jokes are poor,
Would straight-way change his views
Could he compare the jokes we print
With those we couldn't use.

Lecture: Something that can make you feel numb on one
end and dumb on the other.

Texas cattleman to visitor:
"We don't brand them--we have them ingraved.."

Father to small boy as they pass couple necking on a
park bench: "After a few years, you won't think it's
silly; then after a few more, you will again.

Most fathers yearn for a son who will not only fill
their shoes but also the gas tank.

Mr. Dennis: "What great contribution has science given
to man?"
Armitage: "Blondes."

French teacher: I think I'll keep you in after school.
Pete: It won't do any good; I'm a woman hater,

Courtship is the period in which the girl decides whether
or not she can do any better.

Tragedy in four acts:
Cram--Exam--Fail--Wail

When it comes to getting the news around, the female is
more dependable than the mail.

Then there's the filling station attendant who said to
the customer in the new Cadillac roadster: "Hello,
stupid, what question did you miss?"

Mother to teen-age daughter: "Better ask your father's
advice, dear--he made a smarter marriage than I did."

K. St. John: "I wish I were a little river."
Smith: "Why?"
K. St. John: "Because I could follow my course without
leaving my bed."

Miss Wilson: Give me the feminine of stag.
Thrower: "Hen Party."

Mrs. Garrison: Our daughters need discipline at times.
Mrs. Atkinson: They certainly do. My Marie is in Xlll,
but only the other night I had to send her to bed without
any breakfast.

An owl planning to visit his lady love put on all his
best clothes, but on coming out of his hole he saw it was
pouring rain, and sadly exclaimed,
"Too--wet--to--Woo."

If 32 is freezing point, what is squeezing point?
Two in the shade.

Boys are like street cars--there's always another coming along.

Carol: My hair is full of electricity
Gail: That's because it is connected to a dry cell.

The man who stays on the straight and narrow path seldom
sees any curves.

Boy: Do you know, Dad, that in some parts of Africa a
man doesn't know his wife until he marries her.
Dad: Why single out Africa.

Mr. Pate: (In chemistry) First I will take some sulphuric
acid and then some chloroform.
Buhn: That's a good idea.

A cop came up to a young couple in a parked car.
Cop: Caught you this time! What are your names?
He: Ben Necken
She: Ann Howe !!

Whithers: Do you want a large picture or a small one?
Audrey F.: A small one.
Whithers: Then close your mouth.

Modern Version:
When she was good, she was very very good, but when she
was bad--she was popular.

'Tis better to have loved and lost than to have won and
now be bossed.

Mary: Is Bob popular with your parents?
Jeannie: He sure is, Dad comes down specially every night
about twelve to see him off.

The miracle drug that enables a new husband to survive his
bride's cooking is love.

Mr. Hammond: Now Bill, if you were to draw a straight line
between these two points, what would it prove?
Bill B.: That I was unusually sober this morning.

In the parlour there sat three, parlour lamp, he and she;
Three's a crowd, you know no doubt,
So the parlour lamp went out.

"A DAY IN C11A"

Shorthand is first on the program each day
And sure is a lark and a noise I'll Say
Miss Sinclair and class sure make a commotion
But we stick to our shorthand with utter devotion
Next we arrive at our bookkeeping class
Where the answers are pulled out with hammer and axe
P.T. of course is the favourite of all
Though we wear ourselves out, though the bruises are small
Miss Sinclair and Correspondence are next of the roll
And the envelopes and letters take their sad toll
We read in the history of dead men galore
'Til we picture them rising right out of the floor
So we hurry to Math to learn percentage and more
But we end up more muddled than ever before
Shakespeare and Grammar are waiting for us
When we tropp into class and make such a fuss
Yet you'll draw the impresssion
ll'A's the best
When at the end of the day we all go home to rest.

WHAT WOULD HAPPEN IF?????

Eleanor Lucas wasn't asking questions
Margaret Reed wasn't turning around
Connie and Sally weren't late for class
Diane Bazeley wasn't engaged
Norma Cranston broke off with Dick
Gloria Graham and Jim M. weren't disagreeing
Sheila Hillsby ate her lunch alone during break

FUTURE OCCUPATION FOR 1958

Rosemary Johnson-giving out Kleenex to people with colds
Peggy Large-driving for the president of the Ford Station Wagon Co
Marg Macklin-married, with 6 children
Karen Eady-Bottle blower for Faygo Uptown Commercials
Anita Anderson-Future Olympic Champion in Tiddly-Winks
Florence "Flossie" McKay-swimming English Channel
Sylvia Garrett-jiving for Auntie Dee
Bonnie Lee Stephenson-married to Gary L.

Ambition: Laboratory technician
Destiny: You never can tell
Pastime: Laughing
Saying: "Hi ya laughing boy."

Fred Stuchberry

Ambition: Educated Bum
Destiny: Bum
Pastime: Talking

Bert Hart

Ambition: Weight lifter
Destiny: Pretzel bender
Pastime: Combing his "Elvis Presley hair"
Saying: "What are ya a man or a mouse?"

Lynne Barcroft

Ambition: Pilot
Destiny: Paratrooper
Pastime: Skipping school
Saying: "Ah go fly an aeroplane"

Darwin Kiehl

Ambition: To be 6' tall
Destiny: Midget in a side show
Pastime: School
Saying: "I'm a big boy now."

Carolyn Brodie

Ambition: To marry Eric B.
Destiny: She'll probably hook him
Pastime: Waiting for Eric to call
Saying: "Hurry up Joyce"

Heather Ried

Ambition: Veterinarian
Destiny: Tree surgeon
Pastime: Chewing and cracking gum
Saying: "What a pickle"

Marianne McGuire

Ambition: Wife of Bill B.
Destiny: Raising little B's
Pastime: Bill
Saying: "Oh fish flies"

Mr. Dennis: "What great contribution has science given to man?"
Armitage: "Blondes."

Miss Kitchen: "Where's the jelly?"
Bright Young Thing: "You said it was moulded so I threw it away."

P. T. TEACHER MAKES BIG SPLASH

KAMIKAZE STUDENTS
CLOG FURNACE

Local P. T. Instructor Mr. Len Newell was seen today by our roving reporter inspecting our new trampoline.

He then went up to the gallery and after several nips and back-bends on the rail he nimbly perched himself on the north basket rim. He gathered his strength and with heart in mouth did a triple whammy dive from the basket toward the tramp.

Meanwhile a misinformed Grade IX student took it upon himself to move the trampoline. Mr. Newell's close cropped head struck

the gym floor with the resounding crack of wood on wood and was instantly buried 18 cm. in the hardwood plank. Upon regaining his usual state of semi-consciousness he was heard to emit a feeble groan to the effect that if he ever caught goon-child he would produce his knotty-pine paddle and lay down a broad-side to the laddie's backside.

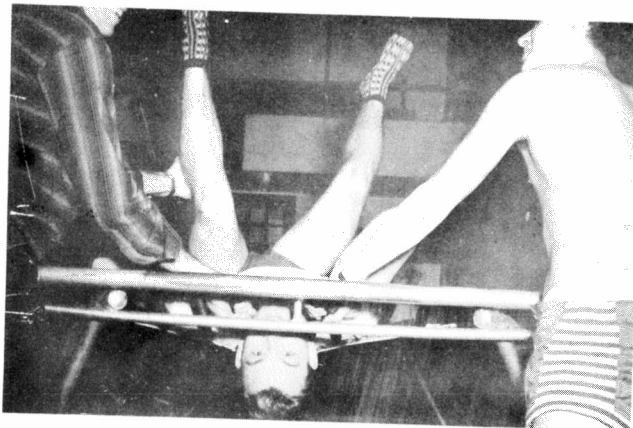

Until repairs are made to the gym floor all P. T. classes will be held in the boy's washroom.

It has been brought to the attention of the Board of Education that the venerable boilers in the cellar of S. C. I. are being clogged by the charred bodies of many students!

It seems the students after receiving poor marks in History and French decided to end it all rather than face irate parents.

After a last final chocolate milk binge the students tie books around their feet and then plunge to their deaths down the insinerator shafts.

The stench of burning bodies has driven the janitorial staff across the street to Jack's Poolroom to play pinochle and eat their lunch. To prevent further damage to the furnaces the Board of Education will henceforth provide arsenic tablets for 15 cents so poor students may do away with themselves quietly.

Sue: Oh! Bill, ther's a man following me
and I think he's drunk.
Armstrong: Yeah, he must be.

Gossip

READERS! READERS! READERS!

Pay attention here
For we have printed all the news
That was buzzed around this year!

- McInnis gets all in a "Stew" when Ken doesn't come home week ends.
- It has been heard that "Shortt" is the style for "Pat T." but a certain "Hedy" prefers everything "Little".
- I wonder who hopes to be Kathy's full time patient? - you guessed it, "Ross".
- Ann can "Grant" you that there is often a "Hill" around her place.
- It has been seen that the "Fleet" has picked up a passenger at Central - (namely E.F.)
- There seems to be no doubt that Bob S. of Special Commercial prefers "Willis" to cadillacs.
- Lyn certainly isn't "Withering" in Barb's eyes.
- Can't get along without the "Army" can we Sue?
- There is no excuse for Gloria G. being homesick because she is always with her "Maw".
- Did you know that there is a girl in 13-A "Strut"ing around with a diamond.
- "Izz" Sandy enjoying life this year? Now that's a silly question.
- It is understood that a special mail service has been started between Sarnia and Huntsville for a certain Norma B.
- Doug Crosbie says "There is nothing as effective as "Vick"-cold or no cold.
- Joan H. who seems to have a preference for "Browns" is content "Bob"bing along.
- Shirl seems to be all a "Fluter" over her "Ed"ucation this year.
- Our "Left-hand man" Pat Rinker says that it has been a very bright and "sparkling" year - especially for herself.
- We ve always heard that "Salts" and peppers go well together but Pat seems to prefer Roger for flavouring.
- You never can tell. "B.L.Hoskins" may even be playing' with the Harlem Globe Trotters and if "Bet" has anything to say they will be stationed full time at "O.A.C."
- It appears that Jeannie takes her time solving a certain "Riddle".
- Everyone knows who Marie is in "Kahut s"with.

THE GYPSIES

Prize Senior Poetry

O, a gypsy's life is a long, hard way,
Their journey is never done,
In comfortable houses they cannot stay,
For the Townsmen cry, "Be gone".

So with their caravans, donkeys, and dogs
They travel the winding road.
Through forests and fields, o'er marshes and bogs
They carry their eternal load.

And winter comes with flurries deep,
The men they work while children cry,
For gypsies have no place to sleep,
And many a one will die.

In spite of hunger, cold and blight
Their hope continues to flow,
They don't give up as others might
When misfortune strikes a blow.

Have we the right to look down on folks,
Who with courage face their life?
They are braver than we, for they take the jolts,
While we, we fall in the strife.

Karen Fraser, 12-A

Cinquains

There!
It was there, I know.
From my window I saw it beckon,
But then in the drizzle and mist
It was gone.

At dawn
The moon and stars
Twinkle as they fade,
And over the edge of the earth appears
The Sun.

F. Crosbie 12-B

CINQUAINS

Eyes!
How green they gleam
In the darkness beyond my light!
Oh, 'tis a cat, and a black one at that!
Meow!

Frances Crosbie

Look there.
The moon is high;
It sheds a lovely light
And sets the fields and streams aglow
Tonight.

David DeShane

There was a young student named Sue,
There was nothing that she wouldn't do,
She raced down the hall,
Just having a ball,
That poor young ex-student named Sue.

Marybelle Wellington, 12-A

W I N T E R

The autumn has faded away like a dream
And snow will be falling like a rippling stream;
The trees are all naked without any leaves,
Jack Frost will be coming to make nature freeze.

The days become shorter day by day,
And nights become longer each night,
The months have changed like a magic charm,
Like an unknown mysterious sight.

The howling, bitter wind is now blowing,
The ground has turned a pearly-grey,
The lake is like a crystal ball;
For winter has come to stay.

Bev. Natuk, C-10-B

The Veteran

There is a young laddie from SCITS,
Who many misdemeanors commits,
And yet without fears
Has survived seven years
The teachers will be glad when he quits!

Bacteria Ballad

A bunch of germs were hitting it up
In the Bronchial saloon,
Two bugs on the edge of the larynx
Where hitting a rag-time tune!
While back of the teeth in a solo game,
Sat dangerous Dan Kerchoo,
And watching his pulse
Was the light of his love
The lady that's known as "Flu."

Valerie Leroy, 13-A

Time-Table of 13-A

At nine, one-half of our class began
With a three-period visit to our chemist Stan.
The other half, all boys, such a menace,
Began second period with Mr. Dennis.
Then after these three a relief was in sight,
Fifteen minutes for eating and discussing last night.
The second bell sounded and we ran for position
For it was Miss Howden's lesson in composition.
Next Stevens' history for the unfortunate seven,
While the rest studied math in "Hammond's Heaven."
From third floor to second we dragged our feet
To our last morning period with "Monsieur Petit."
Ah, 12:45, school was dismissed for the day,
Except for the scholars of 13-A.
There was literature and math, for two hours more,
Then as fast as we could, we were out the door.
And now you can see how the hours have passed,
For SCITS' one and only Grade 13 class.

Marie Atkinson, 13-A

"Owed" to the Future Generation

'Tis said that several years in the past,
When Sarnia's boundaries began to swell,
The B. of E. realized full well
The need for new high schools--and, that, right fast--
To provide for the future students need.
The city fathers, on the other hand,
Could not at once see the urgent demand.
They thought there was yet ample time indeed.
And so, my friends, the stalemate reigned supreme
Until in 'fifty-four there came a gleam,
In truth, a very rocket-burst of light!
Central was conceived and built! The plight
Of the student body was thus relieved--
To be in 'fifty-six once more aggrieved.

Mechael B. Prior, 13-A

The Feminine Touch

There was a high humid wind that night, and although it was quite warm outside, John felt a strange coldness within as he arrived home late from a party. He knew his father would be waiting his arrival as he always had. There was an inveterate feeling of dislike, a strange conflict between father and son; it had been there since John's mother's death when he was six. Although John had been a docile and straightforward boy, his father, Anthony Lawrence, had kept "tabs" on John. Striving for independence was hard for John under these circumstances, but nevertheless he had attained high enough marks in high school to win a scholarship to a co-educational college in the North. It was here that John found his real happiness.

Summer vacation ended and John returned to college. He was beginning his senior year. Being elected captain of the football team at school enlightened John's whole being when he returned that fall. His undaunted spirit made him strive hard, producing good leadership and a high standard in his studies, but above all he received friendship and understanding which filled the void he had always known.

It was three weeks before the end of the end of the first semester that Sue entered John's life, and although his experience with "les jeunes filles" was limited he knew that Sue was the right girl for him. When the semester ended, John and Sue married secretly. Each had a small family income and Sue worked after classes in the college library, so they were able to rent a small apartment in the married students' quarters of the campus.

Two months before graduation, Sue received a telegram on a Saturday morning. It was addressed to John, but Sue knew it was from his father and without any qualms opened it. It read as follows: "Arriving tomorrow stop please meet train stop anxious to see you stop: Anthony". A hard lump formed in Sue's throat. Explanations buzzed through her head; her conclusion was--the issue must be faced now! Picking up the unexpected telegram, she noticed that it had been sent yesterday. Quickly she checked the plane schedules. Slipping into a fresh linen suit, she dashed into their small Ford coupe and drove to the airport with a preoccupied mind.

The plane had arrived on time and its passengers filed down the ramp. Anthony descended. Sue recognized him immediately although she had seen him only in photos. But--he had a woman with him! Yes, a middle aged, rather attractive woman had taken his arm. Sue had to admit that they were a very distinguished looking couple as she approached them and introduced herself as a friend of John's. By the time they had reached the car, Sue had explained that John was unable to meet them, and that she was here on his behalf.

Once inside the car, Sue discovered that Anthony had not introduced his companion; also, he fidgeted terribly. Sue inconspicuously gazed at him. His face had lines of worry, but his deep set, blue eyes had a mysterious twinkle. Sue made conversation lightly, being cautious and trying not to raise any suspicion, yet there was a tense, almost forced feeling amongst them.

Suddenly Anthony blurted out, "This is my wife, Helen!"
Sue gulped a "How very nice to meet you."

Then she realized that her task was settled and that it was not as trying as she had imagined.

She began to plot, but John's father interrupted her thoughts incessantly to express his feelings of worry about John's reaction to his marriage to Helen. Sue drove straight to the apartment, rushed up the steps, and opening the door she exclaimed, rather tactfully, "Mr. and Mrs. Anthony Lawrence, please enter the apartment of Mr. and Mrs. John Lawrence." John was seated in a chair across the room. His father rushed to him, and, clutching his hand, expressed, with overwhelming joy, his congratulations, ardently all the while shaking John's hand. Sue winked at Helen and said, "And to think through a little feminine touch a father has found his son!"

Valerie Leroy 13-A

AN EXCITING EXPERIENCE

The most exciting experience that has ever happened to me was when I went to Bay City with the Lionettes' Band. It was approximately 10.45 P. M., June 29, when we went out to the huge field for the judges' decision. We waited and waited and waited some more till they finally came to the Junior Drum and Bugle Corps, who were last to be adjudicated. Then to our disappointment the spokesman made a speech first. He told us that he would try to shorten it. No one in the Junior divisions heard or paid much attention to him. We all had our own thoughts about who would win. How would we feel if we won? What would we do if we won? What an important word was that little two lettered word, if. At approximately 1.15 A. M. our silent questions were answered. We, the Sarnia Lionettes, had won the V. F. W. championship for the fourth year.

No one in our group heard much after that. We were so happy that, you might say, we went happily hysterical. There were hats flying, bugles blaring, drums beating, girls screaming, small majorettes fainting from joy and from being tired, Sally Date, the head majorette, was crying as she went up to shake hands with the officer from the V. F. W. and receive the cheque and the trophy.

We had to stay on the field to hear the decisions for second and third place. Then we marched off into the darkness playing a very appropriate song called "Victory."

Sonya Scarrow 9-A

He: May I hold your PALMOLIVE?

She: Not on your LIFEBOUY!

He: Guess I'm out of LUX.

She: Yes IVORY formed.

HIGH-FIDELITY

Early in 1953, a new medium of sound reproduction was introduced to the American public, called High Fidelity. To-day many people are still asking "What is High Fidelity"?

Perhaps the simplest comparison that will illustrate this is the comparison of a picture having the first and second dimensions shown and one with the third dimension added. The two-dimensional picture has the image clearly defined but it has the appearance of still being part of the canvass; but when the third dimension is added the picture takes on depth and as a result, is more pleasing to the eye.

So it is with sound. With old-fashioned sound equipment (radio, phonograph), when the orchestra strikes a crescendo some instruments are liable to blend together unfavourably detracting from the value of the music, but the new high-fidelity components allow orchestra to reach these brilliant crescendos and still get from each instrument exactly the value that was placed into it by the musician.

The good average pre-war gramophone had a range from 100 cps (cycles per second) to 4000 cps. This was a great improvement over the 1907 gramophone whose range was from 250 cps. to 2050 cps. But to-day we have a high-fidelity range from 30 cps. to 17,000 cps., the double bassoon playing the 30 cps. and the flute playing the 17,000 cps. note.

The ordinary high-fidelity system may range in price from 198 dollars to upwards of 1600 dollars.

The popular belief that the amount you pay over a counter to a dealer will determine the type of reproduction you will receive from your set, is an erroneous one that often causes a great waste of money.

To get the most for your expenditure from a high-fidelity outfit, a lot of time, work and planning is necessary. A custom high-fidelity system can cost half of a "factory-made" set. By this I do not wish to discount ready-made "hi-fi" systems, because in the sound demonstration rooms at Simpson-Sears in London, one hears some very fine outfits.

The components of a high-fidelity system can vary from a record changer, an amplifier and a co-axial speaker, to an automatic record changer, a manual turn-table and tone arm, an AM-FM Tuner, a tape-recorder, a television set, an amplifier, a pre-amplifier and innumerable speakers.

The ordinary set consists of a phonograph, a tuner, an amplifier, a pre-amplifier, and an enclosure containing two or three speakers. There are three high-fidelity systems open to the public in Sarnia.

The first and perhaps the best system is in the Public Library. It consists of two speaker enclosures and has been planned to the acoustics of the room. The second best high-fidelity outfit is the one at the Y. M. C. A., although it was not very well planned to the acoustics of the building and was run on a budget. The third sound system, though not a hi-fi set-up is the one in our own auditorium.

I hope in choosing a high-fidelity outfit, if and when you do, you will listen to these sound systems so that you will have a goal to strive for when it comes time to purchase component parts.

Jim Payne 12-A

A Boy's Best Friend

Boyhood is when a boy thinks there is only one best dog in the world, and he owns that particular dog. I think every boy thinks this, including me. My dog isn't exactly a pure bred, but I dislike calling him a mutt, so I class as a new breed of dog.

His two brown ears are set on a pure white body--that is after a bath--but a dirty grey at other times. At the rear end of his body is a twisted tail which sinks to the ground when he is getting a bawling out. His weight is supported by four short legs. These are just a few of his physical characteristics, and in case this information didn't create a rough image in your mind of the dog you might say he looks like a wolf puppy.

Not knowing too many tricks--save talking, in dog tongue, of course--doesn't mean he lacks the intelligence, as this failure is largely due to the laziness of his master. When hungry he'll tell you so in a demanding voice, which, when he is excited, shrills. Just to make sure he will be fed, he has two brown pleading eyes which no kind-hearted soul can refuse. This accounts for his fatness, which I'm afraid is going to give him heart trouble.

Our yard and the immediate neighbourhood is his own private domain which no foreign soul should penetrate. His enemies are the mailman, the milkman and a huge St. Bernard that lives in the neighbourhood. He takes them all on and anyone else that happens to come along provided he can escape to the house in time if they decide to give chase. Mom calls this cowardice, but I guess he figures it's better to be a live coward than a dead hero. To appreciate him to the utmost, you must have him as your own pet; then you could understand why we count him as a member of the family.

Gary Porter, 10-C

ESCAPE IN THE NIGHT

The place was Estonia; the time: dusk; the time for ESCAPE! My homeland was about to be invaded for the second time by the Russians. Having previously experienced the terrors of Russian rule, the perils of escape were well worth the risk. My uncle, who had been running escapees between Estonia and Sweden in his fishing boat, was preparing for his last trip. This would be our last chance for escape; a decision must be made. Would we flee our native land and all that we had known for freedom and a strange new land or would we stay and be terrorized under Russian rule?

At dusk, sixty-five people left in that tiny vessel. The waves beat high and some swished right into the boat. My bones ached with cold and I started to cry in terror when all at once my crying was punctuated by high, piercing screams of fear from the last boat! Then there was silence. We looked at each other realizing all too well what had happened.

The bailer seemed to put more effort, if possible, into his actions. The water was coming in as fast as it was being bailed out. The rowers rowed on; the journey seemed endless. Fifteen hours we were in that boat, all the time being pursued by Russian soldiers. As the hours dragged by, our cramped limbs became chilled and aching and now and then a whimper filtered through the air from a small child who was bewildered by the strange activity.

Finally, through the fog, land was spotted. There, from that small fishing boat, we got our first glimpse of our new found freedom. The emotion we felt at this point was almost impossible to describe in words. It was a mixture of fear, anxiety and hope along with other emotions which I am unable to put on paper.

Upon our arrival in Sweden, our husbands and fathers separated from us in search of work. Mother and I were put in a hospital where we spent six weeks. In the meantime, father found work in a glass factory.

We then spent a week in a refugee camp which was extremely crowded. After travelling in a large boat to Gammlebi, we, along with one hundred and fifty other people remained there about five weeks. We then moved on to Limmared where father was working.

After shifting around to these many towns our opportunity to go to Canada finally came. We purchased a boat and headed for Malmo, for two months where we repaired and prepared the ship for its long voyage. Then the great day came! At long last we would see the promised land-- CANADA!

One hundred and fifty-nine people left on that boat; one hundred and fifty-nine souls looking for new hope and opportunity and here, at last was hope and opportunity, no longer a dream but a reality.

After High School

WHAT?

Thinking of a CAREER — or just a job?

Like most smart students, you'll want a lifetime career — not just a job at so much a week. And a career in banking could well be the answer to your plans for the future. Banking today offers a wider variety of interesting and better-paid positions than ever before. Consider it seriously before reaching your decision.

And here are some of the attractions

Canada's First Bank offers young graduates starting in banking... good increases regularly if you are good at your job... an effective training programme to prepare you for advancement... promotion based on merit — not seniority... pension and group insurance benefits... a genuine combination of opportunity and security.

If you are interested in finding out more about banking as a career, have a chat with your nearest B of M manager. You'll find him most helpful.

GRADUATE COURSES IN ARTS AND SCIENCE

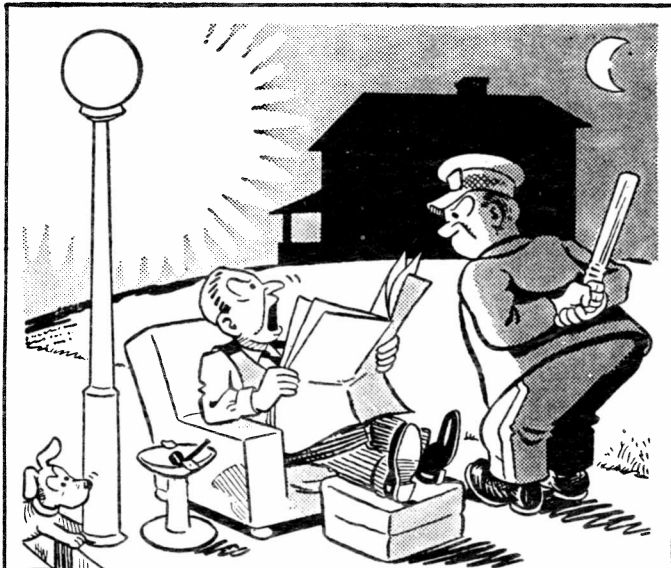

Write to the Registrar

THE SARNIA GENERAL HOSPITAL

School of Nursing

Offers an approved course to high school graduates seventeen years of age or over. The minimum entrance requirement is the Secondary School Graduation Diploma with three options, where Physics and Chemistry in Grades 11 and 12 have been taken. It is an advantage for students to complete Grade 13 before entering Nursing School. Students registering in Grade 13 should take English, Chemistry, Biology and two other options if they plan on doing post-graduate work at a University Nursing School.

Address inquiries to: **DIRECTOR OF NURSING EDUCATION**
